Subject: Mandates list
Attachments: OSDH Mandates_3_19_18.xlsx

As a follow up to your talking points this morning at Expanded Leadership, it struck me that I don't believe we've sent out the list of mandates to members of Senior Leadership. You'll recall Brian sent them to BOH members a few weeks ago. Would you like to send the list to SL – or would you like me to do that for you? (It's attached for your reference)
